**CBT COLLEGE (COLLEGE OF BUSINESS & TECHNOLOGY) LAUNCHES
“TECH TROOPERS”**

***The New Program Puts Students “on the Job” and Offers
“Tech” Services for the Lowest Prices***

Miami, FL (Feb. 21st, 2011) – CBT College, an academic and career educational institution based in Miami, Florida operating five campuses in the greater Miami-Dade area, has launched a new division called Tech Troopers. This innovative program puts CBT College’s A-plus students to perform technology services under the supervision of certified staff and faculty to the community for the lowest costs in the marketplace.

Tech Troopers provide IT solutions, Technical Services, and Graphic Design services to individual customers as well as companies for the most competitive prices in the industry. These services include:

- Computer repair (Hardware & Software)
- IT Solutions and Tech support
- Graphic Design & 3D animations
- Website Design
- A/C Servicing and Repair
- Electricity work
- Installations of CCTV
- IP phones and network/server infrastructure

“We are very proud to be expanding our work-study programs while also giving our students the opportunity to garner true hands on experience, which makes them much more marketable within the current job marketplace,” said Monica Llerena, CBT College’s Corporate Director of Public Affairs. “At the same time, Tech Troopers offers the community with a fantastic inexpensive service that can normally get to be very costly through most other technology companies.”
