MISSION

CBT's mission is to prepare and graduate students with the highest moral, technical and professional excellence who will build a better life for themselves, their families and their community.

VISION

CBT will be known for our quality graduates and the exceptional experience that we provide students from admission through graduation and advancement in their career. We will prepare our students for success by creating an environment that encourages intellectual curiosity, creativity and critical thinking. We hold academic quality to be of the highest importance and will allocate human, physical, information and financial resources as appropriate to our educational mission. We believe that excellence in teaching leads to excellence in learning.

We will achieve our vision and mission through the following:

- **Encouraging** the development of the knowledge base, study skills, and personal motivation necessary for competent scholarly inquiry and the lifelong pursuit of learning.
- **Recognizing** the value of career preparation as a principal goal of a college education.
- **Providing** both the technical and educational facilities that support intensive sessions of study in small classes, to give students the best "hands-on" training.
- **Encouraging** a safe, diverse, team-oriented, responsible, and respectful workplace environment that develops the professional capacities of our faculty and staff.
- **Being** responsive to market, employment, and economic development needs within the South Florida Region, State of Florida and the United States.

CBT College

Continuing Education Services

CBT College understands the education process never ends and that continuous professional development is necessary to compete in the marketplace. For that reason, CBT College is the only educational institution in the Miami area that offers Continuing Education for our Graduates at no cost. All CBT Graduates have the benefit to update their skills to the latest software or the latest technology by simply registering and attending classes absolutely free.

Student Population Growth

A typical new CBT College campus enrolls 80 students by the end of the first year and grows to about 280 students at the end of five years. With the new Broward campus in Plantation, CBT College is expected increase those numbers by 50 percent.

Economic Impact

Each campus is fully equipped with the most up to date computer labs (hardware & software) along with diverse library facilities and employs up to 25 faculty and staff when fully developed. When the new 50 k sqft facility in Plantation, Florida is fully operational, CBT College is expected bring 100 new employees as well as new retailers to the region in addition to international students upon that division's expansion.

Typical CBT College Student

35 years old; with a high school diploma or GED; population split fairly evenly between female and male; working full time; raising a family; and receiving student financial aid. Upon the opening of the Broward campus and attaining accreditation for the Bachelors degree programs, CBT College will increase its population of recent high-school graduates.

Curriculum Focus

Allied Health & Science, Information Technology (IT), Graphic Design, Languages, and technical Training in HVAC & Electricity occupations. However, all CBT's academic programs are designed with a heavy focus on Technological trends & tools for career placement.

CBT College is an academic & career education institution based in the city of Kendall, Florida and operating four more campuses in the greater Miami-Dade area, including the cities of West Kendall, Hialeah, and Cutler Bay. CBT College is Nationally accredited by ACICS (Accredited Council for Independent Colleges & Schools), certified by the U.S. Department of Education, licensed by the Commission for Independent Education (CIE), and under the regulation of the Florida's Statewide Numbering System.

CBT College was founded in 1988 by Fernando Llerena with the mission of providing quality education programs that are in direct connection with the current job market.

at a glance

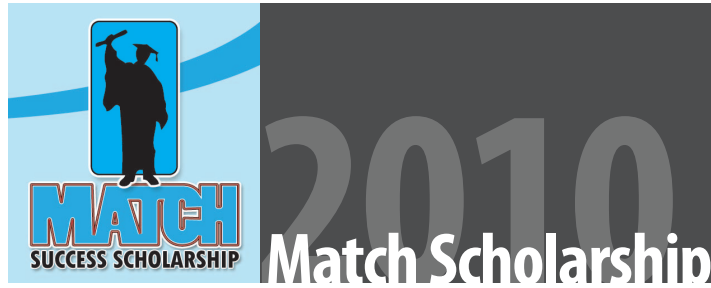

Tech Troopers

In 2010 CBT Launched Tech Troopers, which provides IT, Web Design and Web Development services at a fraction of a cost to the local community as well as to continue providing hands-on training and experience to students entering the work force. CBT's Tech Troopers services are supervised by seasoned industry professionals and work is performed by students close to graduation.

Toys for Tots

In alliance with Baptist Hospital: CBT College hosted a Wonderland Christmas event at its West Kendall campus for the Marine's Toys for Tots foundation. Together with the executives, faculty and staff of the school and Baptist West Kendall Hospital (which is slated for opening in April 2011) collected over 300 toys for boys and girls of all ages. While guests awaited the Marines to pick up the gifts, a joyful concert was put on by the locally-renowned Florida Christian Choir and Santa Claus made himself available for fun greetings and pictures. Over 100 students, faculty, staff, families as well as local residents attended the festivities.

Match Scholarship

CBT College launched the Match Success Scholarship Program which matches up to \$500 in payments made by the student per academic year.

Grand Opening

The grand opening of the West Kendall campus was a momentous occasion for CBT College. Countless hours of hard work and preparation were put into the planning and eventual opening of this campus. Our technology students were provided a great learning opportunity. Our graphic design professors designed the mural in the wall of the central office wing of the campus. With a specialization in Graphic Design and Networking Administration, the West Kendall campus was created to cater to the tech savvy student. The site was unveiled officially on June 18th, 2010 with a ribbon cutting ceremony with local politician Juan Carlos Robaina and a concert by the popular local musician Jimmy Whisper.

2010

CBT College announced the school's official Mascot, C-Beety, at a special Gallery Exhibition held at CBT's West Kendall campus. C-Beety, "a funny cute and intelligent character...that always wants to be first in line." CBT College awarded the winner with \$2500. The challenge included hundreds of individuals that registered for the competition of which 103 were local students and residents, 16 of them came from outside the State of Florida and a few were from abroad including Brazil, the Philippines and Russia. The event was attended by approximately 150 students (high school, college and international), faculty, staff and residents from the community and was sponsored by Starbucks, BJ Wholesale, Jerry's Artarama, Cakeworld Bakery, and Chic Berry Frozen Yogurt. The panel judges included: Art & Production Director at the Latin Trade Magazine; a renowned sculptor, whose work has been exhibited at The Smithsonian; and a famous and world-renowned fashion photographer.

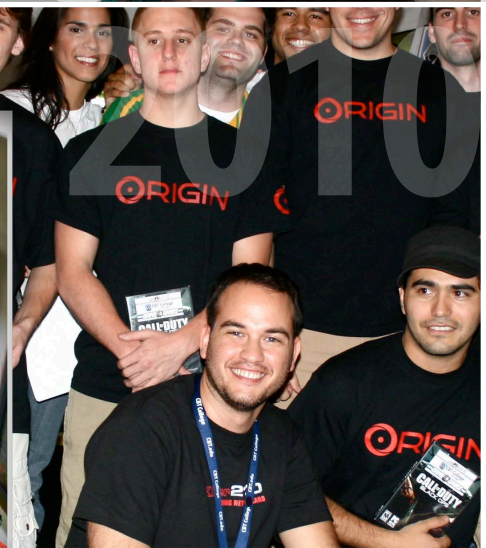

CPR is a course where necessary life savings techniques are taught for the provider that will work in healthcare settings, as well as the training in the use of AED (Automated External Defibrillator).

LAN Bash was originally conceived as an activity for CBT students to interact and play their favorite games together, but immediately transformed into a full-fledged videogame tournament open to the general public. The popularity of the LAN Bash has grown substantially since its inception in May of 2010. Since the LAN Bash, which yielded over 70 participants, CBT has held LAN Bash 2: Madden NFL Football Madness, which saw over 60 participants, and LAN Bash 3: Game Wars, which had over 300 registrations. When CBT College does events, we do them with style! Our list of partners in the LAN Bash events has included Starbucks Coffee, Game On Video Games, Play-n-Trade, ChicBerry Frozen Yogurt, Sports Grill, Origin PC, Bigfoot Networks, Tech Troopers, Dunkin' Donuts, and many more.

CBT College now offers Business and Medical seminars to provide professionals with an academic edge to be better qualified in their field. Whether it is for business, interpersonal, or medical skills; CBT College's seminars can help professionals reach new career heights.

Future of CBT

1 CBT College will be expanding its International Division, which hopes to grow the international student population in South Florida.

2 By Summer of 2011, CBT College will become a four-year college offering Bachelor Degrees.

3 In 2012, CBT College first campus in Broward will open its doors; it's largest property purchase to date.

4 By 2014, CBT College will become a University and offer Graduate and PHD programs.

CBT IN THE NEWS

Kendall Gazette

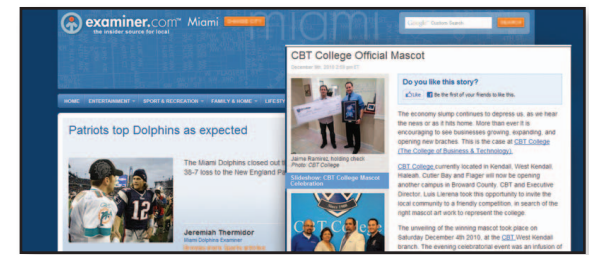

"CBT College, an academic and career education institution based in Miami, operating five campuses in the greater Miami-Dade area, on Dec. 4th announced the school's official mascot..."

S. Florida Business Journal

"The College of Business & Technology in Miami now offers financial planning classes as part of its curriculum, said Monica Llerena, the school's corporate director of public affairs. Along with the course, educators also try to discourage their 1,000 students from asking for student loans that they may not intend to use for college, she said."

Examiner

"CBT College currently located in Kendall, West Kendall, Hialeah, Cutler Bay and Flager will now be opening another campus in Broward County. CBT and Executive Director, Luis Llerena took this opportunity to invite the local community to a friendly competition, in search of the right mascot art work to represent the college."

Imagen Magazine

"Private Institutions like CBT College offer an education formation in programs that are directly connected to the demands of the current labor market."
