CBT Technology Institute is committed to supporting the next generation of leaders and skilled workers in the STEM fields. We are willing to make a critical investment in one of the programs in which we see an opportunity to grow and develop for both local and international students. In the hopes of launching this program in 2025, we are giving one cohort an opportunity in this new program version of the **Associate of Science in Networking Administration** program, covering **70% of tuition fees. This opportunity will be given to** only this first time cohort. This scholarship applies to the enrollment period starting in **June 2nd 2025.**

Conditions:

1. **Scholarship Coverage:** The scholarship covers **70% of the total tuition fees** estimated for the program.
2. **Disbursement:** The scholarship amount will be applied at the end of each semester of the program.
3. **Program Completion:** Recipients must complete the entire program. Failure to do so will result in full responsibility for repaying the total tuition cost. Please refer to the Financial Aid Estimate for the exact repayment amount.
4. **Scholarship Exclusivity:** This scholarship **cannot** be combined with any other CBT scholarship, including **Success Match**.

Final Decision:

The final decision regarding scholarship awards rests with the **Campus Director.**

By applying for this scholarship, applicants acknowledge that they must comply with all the conditions mentioned above to receive the scholarship. **CBT Technology Institute** reserves the right to approve or deny scholarship applications based on institutional policies.
